Dear Sir:

RESPONSE

In response to the Office Action of Nov. 15, 2005, (paper number 110905), following is applicant's summary of the substance of the telephonic interview, pursuant to MPEP 713.04. A telephonic interview was conducted at the applicant's request on Nov. 9, 2005. Participants were the Examiner Anthony Weier and the patent attorney for applicant, Linda Kennedy. All of the claims and the prior art were discussed in general. The possibility of amending the claims drawn to cookies into claims drawn to cookie batter was discussed. This possibility, however, was negated given an earlier restriction required. The possibility of other amendments was discussed, as well as the possibility of providing an affidavit from the inventor to overcome the cited art.
